**DECLARATION OF DAVID STANFIL IN SUPPORT OF SUPPLEMENTAL BRIEF IN SUPPORT
OF ALLOCATION OF INSURANCE PROCEEDS**

I, David Stanfill, declare under penalty of perjury under the laws of the United States of America that the following is true and correct:

1. Prior to the Petition Date, MWDC and SQRL were each a named insured under an insurance policy with The Cincinnati Insurance Company. Each entity had coverage under this policy for business interruption and for property damage. See Policy Declaration Page Attached as Exhibit 1. MWDC and SQRL shared the cost of the insurance premiums.

2. This insurance policy was in effect on July 15, 2021 when there was an industrial fire at the Debtors' Facility.²

Damage to MWDC and Property in Its Possession

3. At the time of the fire, MWDC was operating a hosting business at the Facility providing hosting services for cryptocurrency mining machines. *See* Declaration of David Stanfill in Support of First Day Filings [Docket #8]. MWDC had in its possession various computer modules/carriers, equipment used

¹ The "Debtors" in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: Squirrels Research Labs LLC (9310), case no. 21-61491 and The Midwest Data Company LLC (1213), case no. 21-61492.

² Capitalized terms not otherwise defined herein have the meaning given to them in the Motion to Compromise.

for cryptocurrency mining, owned by third parties. MWDC did not create, manufacture, or build any of these modules/carriers.

4. As a result of the fire, certain customer owned property in the care and custody of MWDC was damaged. See Fire Details, attached as Exhibit 2. Shortly after the fire, a customer of MWDC asserted a direct claim against Cincinnati Insurance Company for damage to its property and business interruption. Cincinnati declined to entertain the direct claim and indicated the coverage flowed to MWDC, the named insured and the entity in the custody and control of the property at the time of the fire.

5. Based on the records of MWDC, its customers who had property damaged in the fire include Jeff Schugart (dba JS Mining), NJEB, and Michael Maranda. *See Hosting Agreements*, example attached as Exhibit 3, JS Mining Property listing, attached as Exhibit 4, NJEB property listing attached as Exhibit 5. After the fire, but before the filing of the above-captioned bankruptcy cases, Maranda, through his entities known as MMLLC or RPNY Holdings LLC, and NJEB LLC sold their property to Instantiation LLC, a subsidiary of Alignment Engine, Inc.). A specific listing of the property and copies of the purchase agreements can be provided to the Court under seal if necessary.

6. Based on the records of MWDC, the estimated replacement value of the damaged property owned by these third parties, but in the care and custody of MWDC at the time of the fire totals over \$355,000. This property remained in the possession of MWDC at the time of its bankruptcy filing and is listed in MWDC's Statement of Financial Affairs, part 11, Question 21 – Property held for another³, and remained covered under MWDC's insurance policy with The Cincinnati Insurance Company.

7. As a result of the fire, the business operations of MWDC were interrupted. *See Declaration of David Stanfill in Support of First Day Filings [Docket #8]*.

³ Schugart is also listed as the owner of specific property, not carriers/modules or property damaged in the fire in SQRL's SOFA, Part 11-Q.21 – property held for another. [See Docket 62, pp. 75-81]. This property is distinct and different from the property described in MWDC's SOFA, part 11-Q.21 [See Docket 36 filed in Case No. 21-61492, p.21].

8. After the fire, MWDC, as reflected in the documents filed in this case, was able to resume operations, file this bankruptcy case, propose and confirm a plan of reorganization and emerge as a reorganized debtor under its confirmed plan of reorganization. *See* Stanfill Declaration [Docket #8], Balance Sheet, Profit and Loss, Statement of Cash Flows, [Docket #24 in Case No. 21-61492] Plan of Reorganization [Docket #170], and the various Operating Reports filed with the Court during the pendency of the MWDC bankruptcy case.

9. In its lawsuit against Cincinnati, MWDC asserted claims for business interruption and damage to property owned by its customers, but in its care and control.

10. As the result of negotiations and mediation with Cincinnati, MWDC and Cincinnati agreed to resolve MWDC's insurance claims as follows:

- a. \$175,000 for damage to property in the care and custody of MWDC on the date of the fire
- b. \$25,000 for business interruption.

11. The property damage resolution represents an approximately 50% recovery in comparison to the replacement value of the damaged property.

12. The business interruption claim is reflective of MWDC's lost revenue, supported by the pre-fire monthly revenue received by MWDC for the hosting of customer equipment. For instance, prior to the fire, MWDC was receiving revenue of \$18,389.60 per month from hosting of MMLLC/Maranda's property. *See* Hosting Agreement attached as Exhibit 3 and the Invoice from MWDC to Maranda, attached as Exhibit 6. As a result of the fire, MMLLC/Maranda discontinued hosting operations with MWDC resulting in a substantial loss of revenue and, thus, profit. The resolution of MWDC's business interruption claim is further reflective of the insurance policy's limits and the risk and costs associated with continued litigation.

13. MWDC, as a reorganized debtor and pursuant to MWDC's confirmed plan of reorganization, did not need this Court's authority to enter into this resolution with Cincinnati, but in the interest of

transparency, joined in the Motion and articulated its intentions with respect to the disposition of the settlement proceeds attributable to its claims against Cincinnati.

Damage to SQRL and its Property

14. At the time of the fire, SQRL was operating a business that manufactured, sold, and repaired hardware, including Datacenter Accelerator Boards used in cryptocurrency mining machines. *See* Declaration of David Stanfill in Support of First Day Filings [Docket #8]. SQRL did not provide hosting services for any third party owned property. Some of SQRL's customers would choose to have the hardware they purchased from SQRL hosted by MWDC, rather than have SQRL ship the purchased hardware to a hosting company other than MWDC.

15. As a result of the fire, some of SQRL's property was damaged. *See* Fire Details Regarding SQRL attached hereto as Exhibit 7. Based on the records of SQRL, the replacement value of its property damaged in the fire totals \$35,324.99.

16. As a result of the fire, the business operations of SQRL were interrupted. *See* Declaration of David Stanfill in Support of First Day Filings, paragraph 17 [Docket #8].

17. After the fire, SQRL was never able to fully resume operations due not only to the fire but also as the result of liquidity constraints and supply chain disruptions that prevented SQRL from being able to obtain sufficient component parts to satisfy order in a timely matter.

18. SQRL listed in its bankruptcy schedules the property it owned, none of which includes Modules/Carriers. [Docket #62, Schedule B-parts 5 and 8 and related exhibit].

19. Ultimately, SQRL filed its bankruptcy case, and was able to confirm a proposed plan of liquidation following a sale process approved by this Court.

20. As the result of negotiations and mediation with Cincinnati, SQRL and Cincinnati agreed to resolve SQRL's insurance claims as follows:

- a. \$17,500 for damage to SQRL's property
- b. \$15,000 for business interruption

21. The property damage resolution represents an approximately 50% recovery in comparison to the replacement value of the damaged property.

22. The business interruption claim is reflective of the difficulty of proving lost profits or revenue directly attributable to the fire, and the speculative nature of any such proof of damages.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

6. Warranty; Manufacturer/Supplier Warranties; Disclaimer of Warranties. 12. Assignment, Binding on Successor and Assigns. The Purchaser may assign all or any portion of its rights or obligations with respect to the Hosting or Products or under this Agreement or any of its rights or obligations only with the prior written consent of Seller. This Agreement will be binding on and inure to the benefit of the parties hereto and their successors and assigns.

13. Miscellaneous.

13.1. Relationship of the Parties. Both parties agree and declare that their association for the carrying on of this Agreement does not, and is not intended to create a partnership, for either legal or taxation purposes. The parties agree to work together to accomplish the objectives of this agreement but neither party shall be obligated to offer any business opportunities or to conduct business exclusively with the other party by virtue of this Agreement. Each party shall each be responsible for the taxes on their respective portion of any benefits received pursuant to this Agreement. No provision of this Agreement may be waived, amended, or modified by either party except in writing signed by both parties. Any delay or failure by either party to exercise any right or remedy will not constitute a waiver of that party to thereafter enforce such rights. If any provision of this agreement is found by a court of competent jurisdiction to be invalid, illegal, or unenforceable, all other provisions will still remain in effect.

13.5. Governing Law and Venue. This Agreement will be governed by the substantive laws of the state of Ohio without giving effect to any choice of law rules.
